

WHAT HAPPENS

WHEN YOU GIVE, ADVOCATE, AND VOLUNTEER?

YOU CHANGE THE STORY.

Last year **33,068** meals were provided to seniors who don't have the means to cook or get meals for themselves. **That would serve every single person in a packed Hilton Coliseum twice!**

\$126,156 invested in after school programs, helping families afford care for their children while they were at work. **That's \$220 of programming for every square mile in Story County.**

Over **2,110** people were served by seven programs that prevented families from becoming homeless. **That is more than four times the amount of people that would fit into Hickory Park.**

Thomas and his family graduated from Emergency Residence Project's Transitional Housing program which offers an affordable apartment for a short time while families work on decreasing barriers to maintaining housing.
