

# Story County is a community that cares about health.

773

individuals participated in 7 healthy food access/nutrition programs

6,752

BackPark Program™ bags of food were distributed in 9 elementary schools so Story County children would have food to eat on the weekends

21,151

individuals participated in mental health awareness programming

Local volunteers make over 30 deliveries each month to individuals unable to get themselves to the food pantry. This partnership was brought about through United Way's Hunger Collaboration.

United Way of Story County
