

Story County is a community that cares about financial stability.

2,115

households received emergency rent and utility assistance to help with housing cost burdens and prevent homelessness

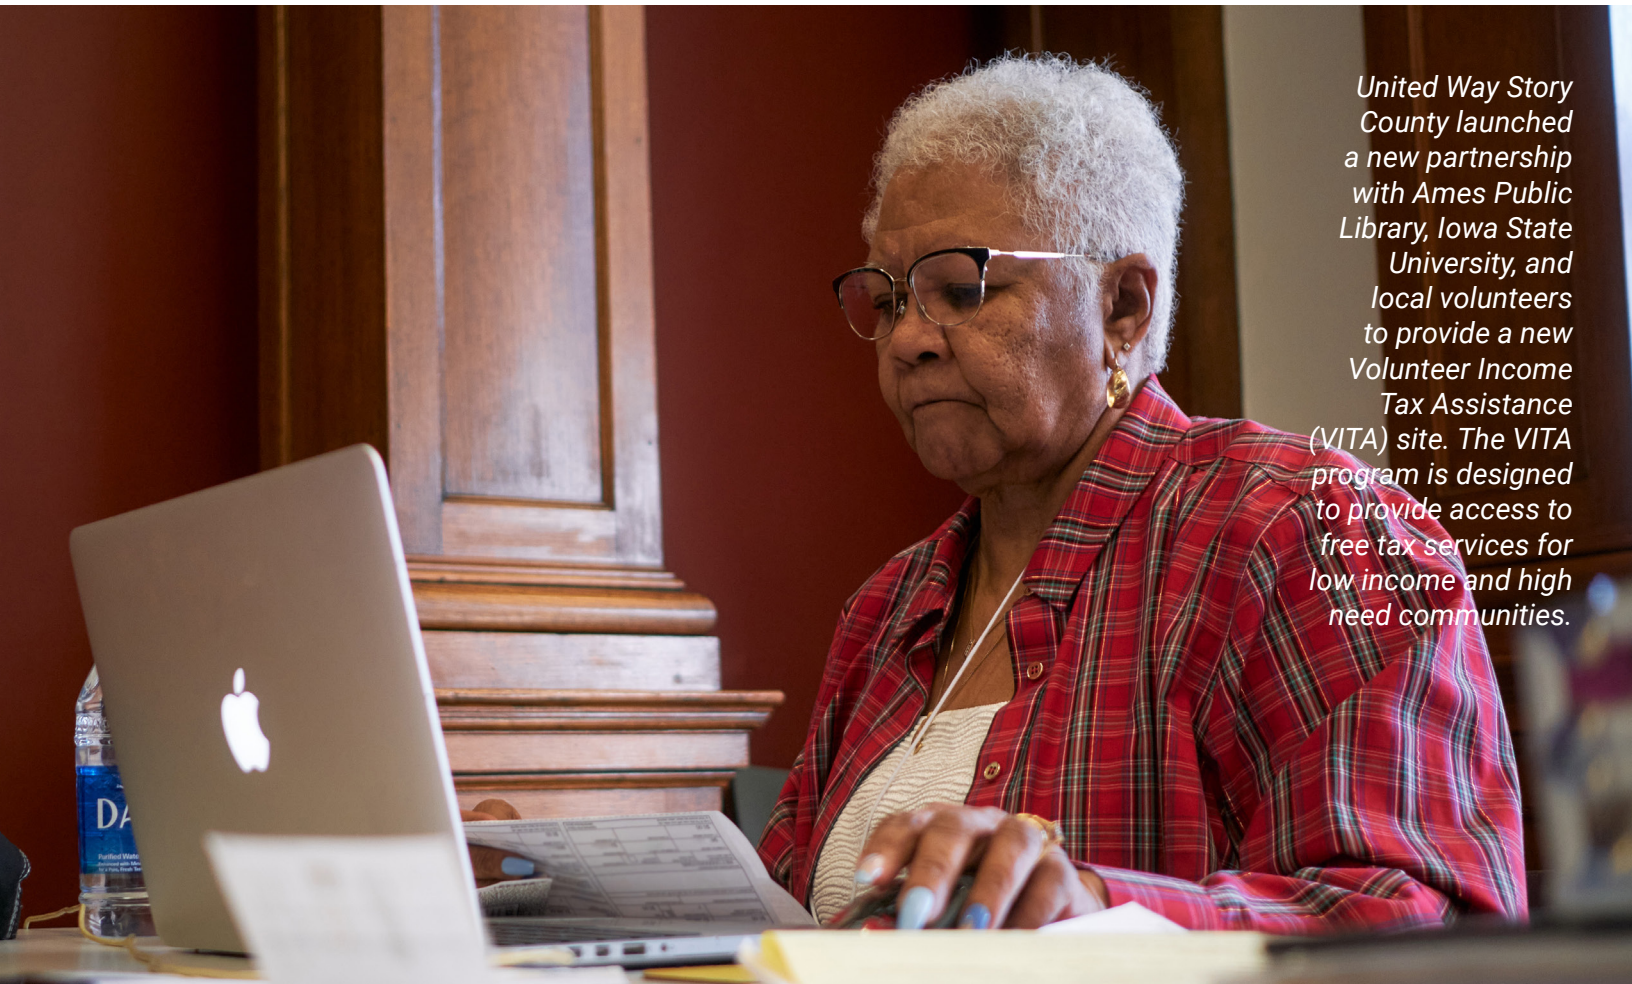

50%

of participants were able to increase their savings after completing the 4-week Women United Money Management series. 54% were able to decrease their debt.

533

adults were able to obtain or retain their job or start or stay in post-secondary schooling

United Way Story County launched a new partnership with Ames Public Library, Iowa State University, and local volunteers to provide a new Volunteer Income Tax Assistance (VITA) site. The VITA program is designed to provide access to free tax services for low income and high need communities.
